

# 2017-2018 SCHOOL YEAR CALENDAR

## Stay Covered. Protect. Renew.

There are opportunities for schools to help families enroll in health coverage through Medi-Cal and Covered California all year long! Follow ALL IN For Health's calendar for ideas on when to provide this information. Find all the resources mentioned at: [www.allinforhealth.org/toolkit](http://www.allinforhealth.org/toolkit)

### OCTOBER- NOVEMBER OPEN ENROLLMENT

**Covered California's Open Enrollment** starts on November 1 and ends on January 31. Remind families to enroll before it closes!

- ▶ The *ALL IN Family Flyer* on enrollment meets the AB2706 requirement.
- ▶ The *ALL IN For Health ABCs of Coverage* flyer lets immigrant families know how they can enroll their children in Medi-Cal.
- ▶ Distribute the *4 Easy Steps to Enroll in Health Coverage* infographic at your school's holiday performances or in backpacks before winter break.
- ▶ The *ALL IN MediCal* flyer shares information about MediCal covering ALL children!

### DECEMBER- JANUARY WINTER BREAK

Public and charter schools are required to provide information to families about their health coverage opportunities (AB 2706). **ALL IN For Health** makes it easy to spread the word about **Medi-Cal** and **Covered California** eligibility for ALL income-eligible children, regardless of their immigration status, as well as health coverage options through Covered California.

- ▶ Make contact with families through robocalls in languages most relevant to your community.

COVERED CALIFORNIA

**ALL IN** provides draft robocall scripts in English and Spanish.

- ▶ It's Flu season – Share the *ALL IN 4 Easy Steps* flyer to remind families to get their flu shots and to get the care they need. Keep track of care with *ALL IN Get Care Cards!*

### FEBRUARY- APRIL SPRING BREAK & OPEN HOUSE

Now that families have coverage, we need to encourage them to use it to stay healthy. *The ALL IN Get Care Tool Kit* helps families find a provider and learn what services can help keep their kids healthy.

- ▶ February is **National Children's Dental Health Month** – Remind children and their families to visit their local dentist to get a checkup. You can share the *ALL IN Dental Health Coverage* flyer for more information.

- ▶ Pass out the *ALL IN Get Care* flyer and card at your Open House and other events.

**ALL IN For Health** brings new tools and information about health coverage and care opportunities directly into communities. Through high-impact partnerships with local organizations in communities, we reach families and children where they live, learn, and play.
