Your Child Has Dental Coverage!

CALIFORNIA

If your child has health coverage through Medi-Cal or a Covered California health plan, he or she also has dental coverage and can go to the dentist for regular checkups and care.

Services Covered for Children (Covered California and Medi-Cal)

- Exams
- X-rays
- Cleanings
- Fillings
- Fluoride treatments
- Sealants
- Tooth extractions
- Root canals
- Emergency services
- Relief of pain and infection
- Medically necessary orthodontics

Covered California

When you signed your child up for a Covered California health plan, he or she was automatically enrolled in dental coverage. Contact your health plan to find a dentist or if you have questions about your dental care. For more information, visit www.coveredca.com or call (800) 300-1506.

Medi-Cal

The Medi-Cal Benefits Identification Card you received in the mail is also your child’s dental coverage card. To find a dentist that accepts Medi-Cal, call (800) 322-6384, Monday through Friday, 8:00 a.m. to 5:00 p.m., or look online at www.denti-cal.ca.gov. Click on “Find a Medi-Cal Dentist.”

Parents, Single Adults, and Pregnant Women

You may also be eligible for many dental benefits in Medi-Cal or Covered California. For information on Covered California, visit www.coveredca.com/individuals-and-families/getting-covered/dental-coverage. For information on Medi-Cal, visit www.denti-cal.ca.gov or call (800) 322-6384.

Children should start receiving preventive dental services as soon as their first tooth appears or by the time they turn 1.

For fact sheets about children’s dental coverage in Los Angeles County and Sacramento County, visit www.childrenspartnership.org/dentalcoverage.

This flyer was created with funding from the DentaQuest Foundation and The California Wellness Foundation.

Printing costs were supported by Liberty Dental, Health Net, and Access Dental.
